Jack Frost Nipping at Your Nose

Winter has begun to take the place of the brilliant reds and yellows of fall; soon we will be pulling out our snow shovels. Thanksgiving morphs into the twinkling lights on Christmas trees and carols which provides the opportunity for introspection and to give thanks. It has been a wonderful year of many memorable times with great friends. From Death Valley, to Huntington Oregon, Glens Ferry, the City of Rocks, Du Quoin Illinois, Baker City Oregon, McCall Idaho, the Oregon and California Coast and right back here in good old Meridian Idaho. We now look forward to the Christmas Holiday and the New Year ahead and as the song goes "yuletide carols being sung by a choir and folks dressed up like Eskimos; everybody knows some turkey and some mistletoe helps to make the season bright....Although it's been said many times many ways Merry Christmas to you"

A Word from Our President

Merry Christmas! I know it's still three weeks away, but "tis the season" and this news letter comes out the first part of December.

The Harvest Dinner was well attended and Phil and Jan did a super job on the OR-CA DVD. Also a big thank you to Airstream of Spokane for the great gift they donated for the top door prize.

Several pairs of glasses and cases were brought in for one of our community projects, the Lions Club. You may bring more at any breakfast or rally. Ask friends and neighbors if they would like to donate and continue bringing them in. Also, please bring your aluminum tabs to the December breakfast. There is a gift to the person who brings in the most "tabs" this month.

The December breakfast will also include the installation for Charlie, Betty, Earl and Clayne. There will also be surprises, door prizes and give-aways. Wow!!

See you all December 10th at Golden Corral.
